| Highlights   | <p><b>Cool Touch:</b> The Hot Glass System is the solution for everyone who wants to keep fingers cool while keeping the drink much longer hot</p> <ul style="list-style-type: none"> <li>- The double wall insulates hot and cold beverages alike with yet a second effect. No more damaged surfaces through wet vapor-film rings or heatmarks as the double layer keeps them apart. No coaster is necessary anymore!</li> </ul> <p><b>Hot Design:</b> Equally equipped with our ingenious permanent filter it allows you to enjoy your tea individually. Hot design for a "floating" tea experience.</p> |
