Disposable Tea Filters with
Holder

Features	Details
Filter + Stick	<ul style="list-style-type: none"> - Aromatreu® white paper (chlorine free) - Ideal for tea portions in cups - With expanding base - 1 Stick / polybag attached - Length (Filter): 75 mm - Width (Filter): 100 mm - Length (Stick): 145 mm
Packaging	<ul style="list-style-type: none"> - 40 Filters + 1 Stick / polybag - 25 Poly Bags / Carton - 8.000 Units / Palette - 4 Languages (D, FR, USA/GB, NL) - polybag with euroslot hanger
Highlights	<p>Our filters are made of manila, cellulose and siegel fibers, guaranteeing true-flavor filtering. They are chlorine free bleached and biodegradable. No glue. The expanding base of the filter provides the tea leaves enough room for their flavor to fully unfold. Instructions for use are available in 4 languages with instructions on the use of the stick located on the back of the polybag. The polybag has an euroslot hanger which gives more flexibility to present the product to the customer.</p>
