PERMANENT FILTERS

UNIVERSAL FILTER

The unique adapter funnel of this **finum®** permanent filter offers ample room for tea leaves to unfold and to release their full flavor and fits to almost any mug or tea pot. The filter is made of stainless steel mesh in a heat-tolerant frame from BPA-free material. It is durable and dishwasher-safe. The hat of the filter helps to prevent heat loss and doubles as drip-off tray.

PERMANENT FILTERS

ABOUT FINUM

finum® is the brand of the German filter manufacturer **Riensch & Held GmbH & Co. KG**. The production company was founded in 1845 as an international trading company.

The filter products manufactured in Hamburg are offered to consumers from all over the world as both OEM components and private label products. Innovation and sustainability are the main characteristics of our products as well as of our certified facility with its modern manufacturing technology.

Accessories for tea, coffee & spices.

With its accessories **finum®** represents design, functionality and sustainability. We are committed to the conscious preparation of tea, coffee and spices - for more taste and a careful use of our natural resources.

Discover our range of products:

Renowned for its flavor-enhancing products, **finum®** holds the leading role in the manufacturing of biodegradable tea filters. The brand also offers a series of unique brewers for tea and coffee, teaming patented German filter technology with elegant glassware, as well as award winning coffee and spice grinders.

With the tea accessories by **finum®** you can enjoy the valuable ingredients and the fine aroma of loose leaf tea.

Coffee beans and spices are gently and freshly ground with **finum®** manual grinders. Experience the pleasure and easiness of brewing your coffee by hand.

The **finum®** slogan says it all:
"...do yourself a flavor"

Kind regards from Hamburg,

Your Christian Justus
